CLOTEAL M. LABROI
Director Public Works

DEPARTMENT OF PUBLIC WORKS

The City of Gary is providing a Request for Qualifications (“RFQ”) for performance and energy service companies (ESCOs) that can fulfill the general City of Gary savings requirements under Indiana Revised Statutes, I.C. 36-1-12. The CITY OF GARY is soliciting such proposals to identify a provider that will help the CITY OF GARY to reduce energy consumption, reduce operations costs, replace equipment that has exceeded its useful operating life, utilize renewable energy and alternative fuel options and guarantee all energy and operating savings. All companies interested in must submit responses to the RFQ which can be obtained at the Gary Public Works Division (401 Broadway Gary, IN 46402) or at <https://garyin.us/publicworks/office-of-public-works/contract-with-public-works/> beginning **Thursday, April 25, 2018 at 10 a.m.** Responses must be received by the Gary Public Works Division no later than **Monday May 27, 2019 at 4 p.m.**
