

## SERVICE ADVISORY

---

### **Gary Metro Center Sept. 15, 2018**

The South Shore Line will begin improvements to the Gary Metro Center platform this weekend that will impact passenger access to the station.

Beginning Saturday, Sept. 15, 2018, the Gary Metro Broadway entrance will be closed for the duration of the project.

Beginning Monday, Sept. 17, 2018, the Gary Metro east end of the platform will also be closed to passengers while the work is completed.

Passengers may still access the SSL platform through the main Metro entrance, via the elevator and stairwell. The closure is expected to last approximately 2-3 weeks.
